

# Get Clear On Your Dream Job

*10 ways to refine  
what you actually want*

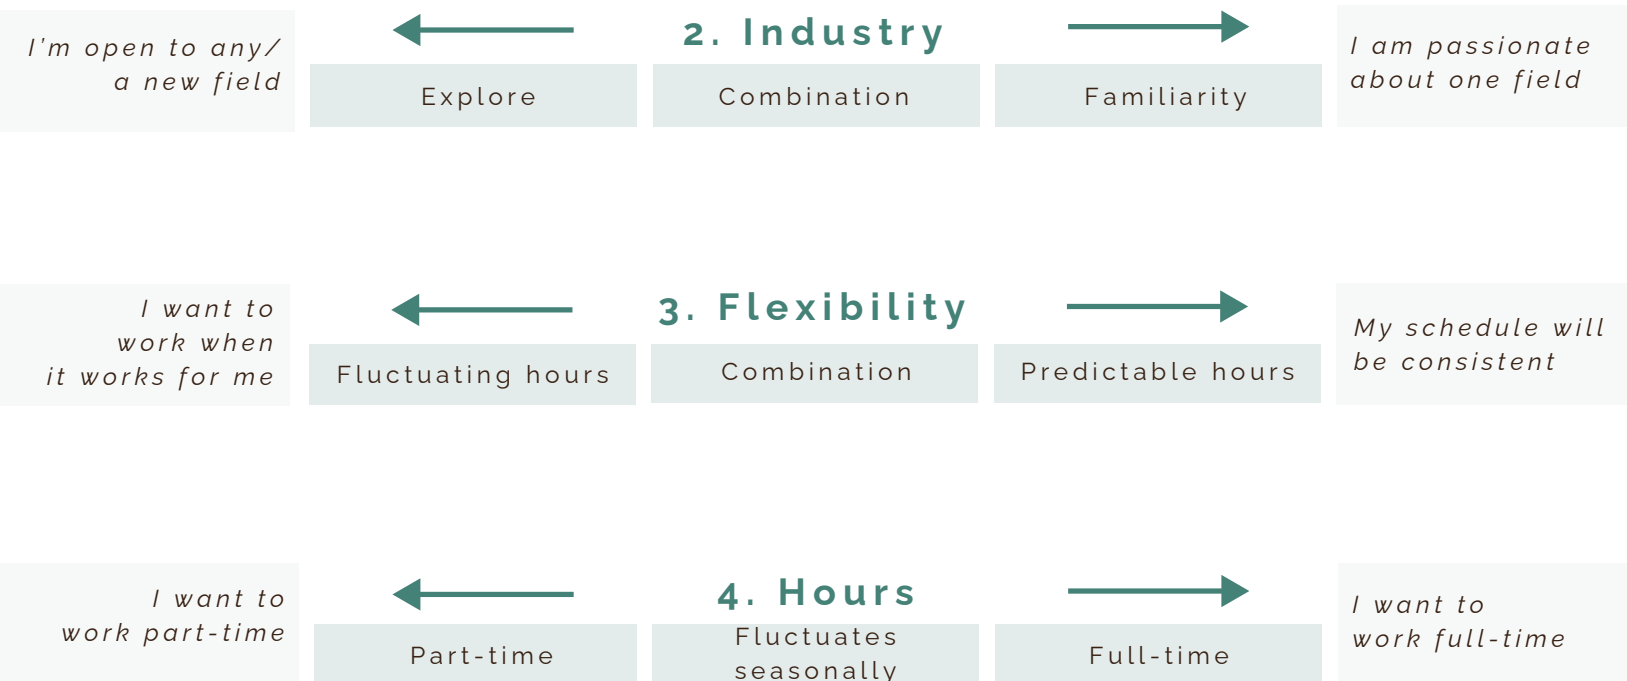

Searching for your ideal job can be intimidating.  
But, getting clear on what you *do* want  
(and *don't* want) can make it easier!

What **don't** you want in your next role/career?

**1. In my ideal career, I do not want to:**  
*lead a team, work solo, etc.*

What **DO** you want in your ideal career?  
Select what is aligned with your goals!
